## STRUCTURAL SAFETY CERTIFICATE OF BUILDING FOR LAND MARK INTERNATIONAL SCHOOL AT VILLAGE PUTHI TEHSIL GOHANA DISTT. SONIPAT.

This is certified that the **D/S School building + hostel building** including all accessories like Toilet, Drinking Water Tank, have been provided as per P.W.D. B & R specification shown in the map attached, Building is newly constd in 2013-14. With R.C.C. Slab roofing with vitrified tile flooring, steel joinery fitted, Cement plaster wall inside outside, white wash, paint over wood & steel work, Glazed tiles in W.C. & Bath., well maintained, complete in all respects.

The building as a whole fulfills all the parameters required to run a school as well as from structural point of view, is quite safe for students (children) or staff as well as per norms fixed by Govt. of Haryana.

I undersigned have personally inspected the premises at Village Puthi (Gohana) on 23/05/14
